

## Oregon Mid Coast Implementation Ready TMDL Development

**Helen:** TMDL Lead- - policy and technical lead coordination.

Note: The only TMDL links to CZARA Settlement Agreement are temperature and sediment listings, not bacteria.

**Jayne:** CZARA project manager. Oversees compliance with CZARA settlement agreement tasks and deadlines for 319 purposes and CZARA approval. Contract management of TMDL dedicated funds for Mid-Coast TMDL.

**Powers:** Technical support for implementation and contract tasks as it relates to forestry. Strategic thinking for linking analysis to allocation process. Also historical support/context on settlement agreement- - knowledge of players, has key relationships. Can act as CZARA Settlement Agreement liaison with plaintiffs and managers.
